Sir:

Submitted herewith is a listing of documents known to Applicants and/or their attorney in compliance with the requirements of 37 C.F.R. § 1.56. These references were cited in the Search Report for corresponding international application no. PCT/EP2003/009432, mailed November 12, 2003, a copy of which is enclosed. Copies of the listed documents, with the exception of the United States patent(s), are also enclosed.

Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the present application. This statement should not be construed as a representation that more material information does not exist or that an exhaustive search of the relevant art has been made.

In accordance with 37 C.F.R. § 1.98(a)(3), Applicants' undersigned attorney submits the following concise explanation of the relevance of the non-English language document cited on the accompanying form:

Reference B1, German patent reference DE1768826, a process for the purification of alkyl mercaptan reaction products. A counterpart English language reference (GB 1268842) is enclosed herewith and cited on the accompanying list of references as document B2.

Consideration of the cited documents and making the same of record in the prosecution of the above-captioned application are respectfully requested.

Applicants do not believe any fee is due for the submission of this Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any fee deficiency or credit any overpayment to our Deposit Account No. 06-1135 under Order No. 7601/84243.

Respectfully submitted,

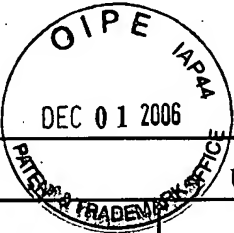

FITCH, EVEN, TABIN & FLANNERY
